CAREER OBJECTIVE

Advance as a Senior QA Automation Engineer with over 6.5 years of expertise in automation frameworks and testing technologies. Aim to enhance process efficiencies and drive technological innovations within a forward-thinking company that values robust testing solutions and continuous improvement.

PROFESSIONAL SUMMARY

ISTQB-certified Senior QA Automation Engineer with over 6.5 years of experience in manual and automated testing. Developed and refined automation frameworks, enhancing testing processes and expanding test coverage. Led projects for high-stakes sectors including a leading cybersecurity company, Microsoft Gold Partner and Global Payments project. Committed to advancing quality and efficiency in software testing.

TECHNICAL SKILLS

- Programming Languages: JavaScript, TypeScript (5 years); Python, SQL (5 years); C# (2 years).
- Version Control: Git/GitHub, GitLab, BitBucket (6 years).
- Testing Frameworks: Playwright (3 years), Selenium (5 years), Pytest (3 years), Cypress (familiar).
- CI/CD Tools: Jenkins (5 years), Azure (3 years).
- Testing Tools: Jira, Postman, Confluence (6 years); Docker, JMeter (5 years); Cucumber & Gherkin.
- Development Tools: VS Code, PyCharm, Sublime (6 years); Visual Studio (3 years).
- Additional Skills: Linux.

SOFT SKILLS

- Communication: Builds rapport and fosters constructive dialogue.
- Leadership: Drives excellence and team success.
- Adaptability: Thrives in fast-paced, high-pressure environments.
- Collaboration: Works effectively both independently and as part of a team.
- User Experience: Translates high-level requirements into exceptional user experiences.
- Continuous Learning: Committed to professional growth.

PROFESSIONAL EXPERIENCE

Senior QA Automation Engineer, N-IX (April 2022 - Present)

- Enhanced testing processes by developing a new Playwright and TypeScript framework, increasing efficiency.
- Reduced deployment times by optimizing Jenkins CI/CD processes, boosting system reliability.
- Mentored junior team members, improving project management and communication with Jira and Confluence.

Test Lead - AQA Engineer, 4Team (September 2021 - April 2022)

- Led a team in deploying automation solutions with Selenium and C# in Azure DevOps, significantly improving testing accuracy.
- Designed and executed comprehensive test plans, ensuring high coverage and compliance with industry standards.

EDUCATION

- ISTQB Certified Tester, Foundation Level, 2021
- Software Testing Diploma, IT STEP Academy, Kharkiv, Ukraine, 2018
- Advanced TESOL Certificate, Global TESOL College, Canada, 2017
- Ph.D. in Business (Corporate) Law, Yaroslav Mudryi National Law University, Kharkiv, Ukraine, 2008
- Master's Degree in Legal Sciences, Yaroslav Mudryi National Law University, Kharkiv, Ukraine, 2002

Test Engineer Automation, Dev.Pro (September 2020 – September 2021)

- Reduced cycle times and improved product quality through strategic test framework enhancements.
- Implemented automated tests using Selenium, Python and PyTest, enhancing the automation framework.

QA Engineer, One2Team, Mindojo (January 2018 - September 2020)

- Tested websites, web, and mobile apps; developed comprehensive test documentation.
- Enhanced user experience by mastering and applying new technologies such as HTML, CSS, Python, JavaScript, and Git.

Associate Professor, PhD (Business Law)/Private Notary (September 2008 - September 2020)

- Specialized in business and corporate law through research, teaching, and practical activities. Delivered lectures, supervised student research, and published articles. Provided legal advice and notarial services, ensuring compliance with standards.

CERTIFICATES

- **ISTQB Certified Tester**, Foundation Level, Certificate of Excellence, July 2021
- Security Innovation Certificates: AWA 012, 014, 017, 018, TST 101, September 2020
- Udemy Courses: Master Software Testing + Jira + Agile on Live App - Be a Team Lead; The Complete Web Developer in 2020: Zero to Mastery; Complete Python Bootcamp: Go from Zero to Hero in Python 3, April 2020 - July 2020
- **Diploma**: Software Testing, Academy of Computer Technologies STEP, 2018
- **Advanced TESOL Certificate:** Teachers of English for Speakers of Other Languages, Global TESOL College, Canada, 2017
- **PhD Diploma**: Business (Corporate) Law, National Law University of Ukraine, 2008
